

## Purchasing a package through the dashboard

If at reception use the qr code for session bundles.

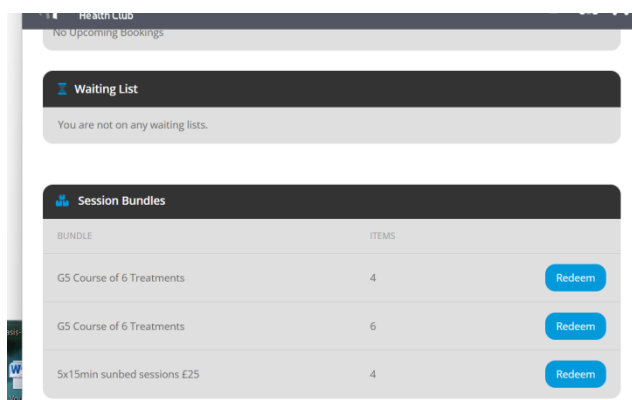

If at home go to the session bundles tile.

Choose the package and then follow the steps until the payment page.

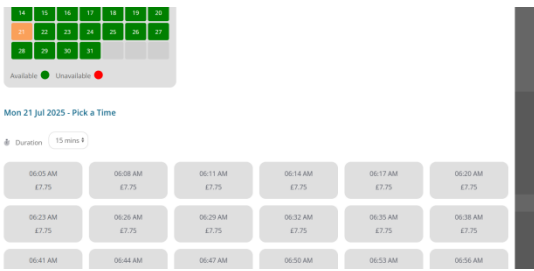

## Booking a sunbed from a package through the dashboard

Any packages purchased will show on the member dashboard, dashboard page/tile underneath upcoming bookings and waiting list.

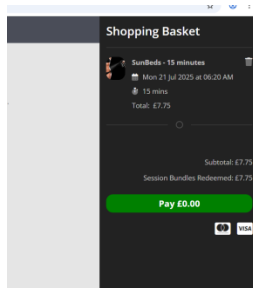

Press redeem and it will direct you straight to the sunbed booking tile.

Click on the tile and then choose your time. In 20min slots.

Follow the steps until the payment page and then book

The booking will then show in your upcoming bookings. If you need to cancel it please do so through that booking.
